 **PACIFIC ITALIA**

Maduma Home Interiors is a trusted importer of premium interior solutions in Malta. We proudly represent **Pacific Italia**, renowned for its high-quality eco-friendly flooring that blends durability, and **Tetralux**, a leading brand in advanced paint and coating products known for their performance and vibrant finishes. Through these partnerships, we offer clients exceptional materials to elevate both residential and commercial interiors.

PACIFIC ITALIA is the exclusive distributor in Italy and Europe of PACIFIC H2O, a next-generation flooring solution that combines over 30 years of expertise with Nordic technology and design.

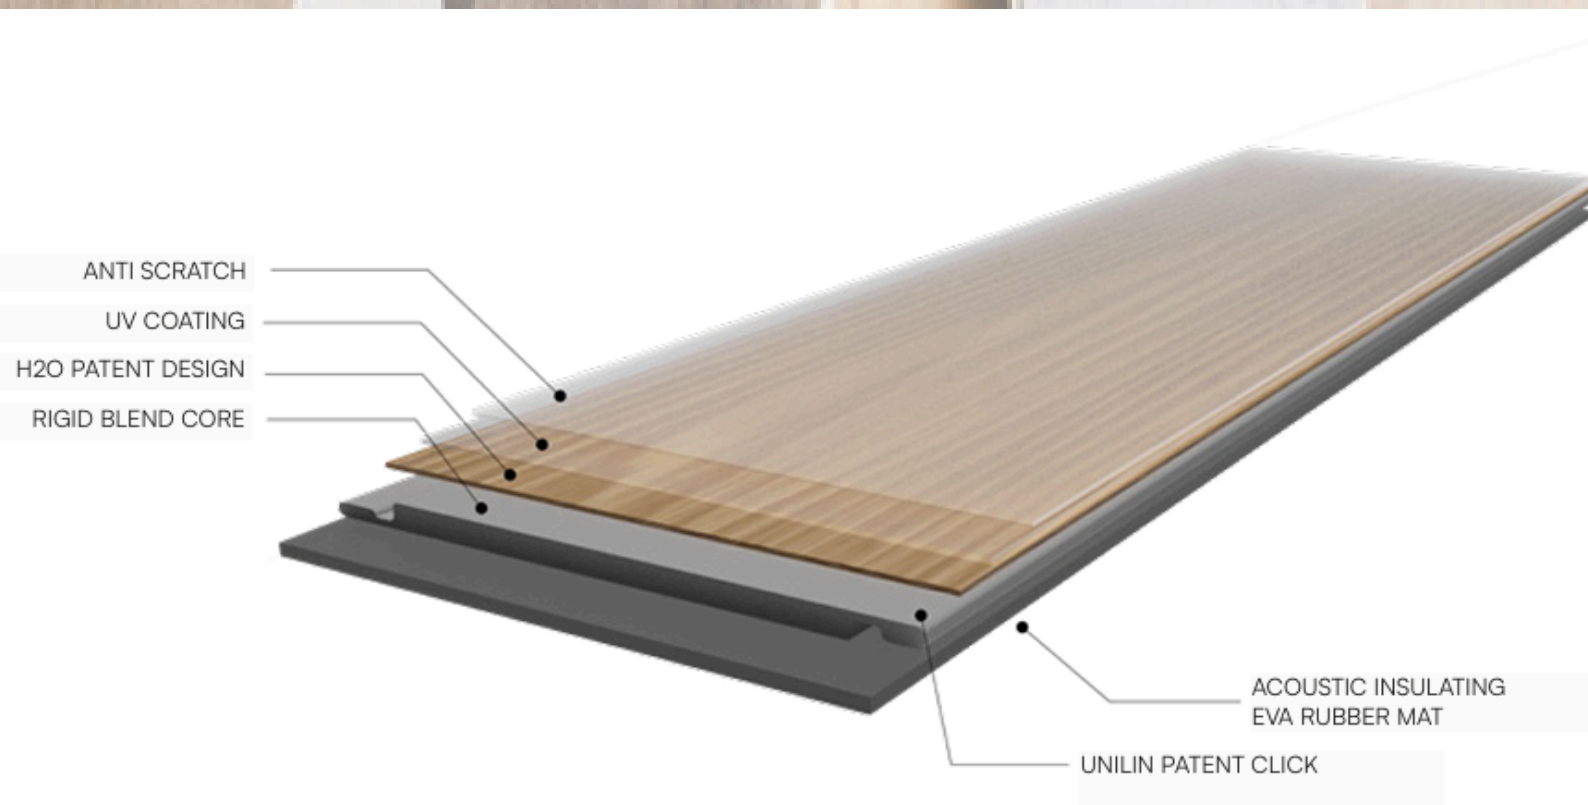

Made from a blend of wood, polymers, stone, and calcium carbonate, it is water- and wear-resistant. It's also eco-friendly, meeting top sustainable building standards, including the LEED v4.1 framework.

# PACIFIC H2O THE WOOD FLOORING EVOLUTION

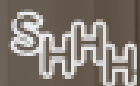

PACIFIC H2O is considered as the evolution of wooden flooring: a composite of polymers, stone, calcium carbonate and wood, resistant to water and environmentally friendly.

The combination of its four layers makes it a highly resistant, durable, and versatile product.
